Mission: Caltech Masters "CTM" is a social group dedicated to improving swimming skills, developing strength and stamina, and/or competing in swimming events:

Advisory: Please be advised that you do not have to swim fast, but you must be able to complete 100 yards of freestyle without stopping. It is desirable to have minimal proficiency at backstroke and breaststroke because these strokes are done during the workouts.

If you currently cannot swim 100 yards of freestyle, we suggest you take some lessons. For lessons, check the local YMCA or Rose Bowl Aquatics Center. They offer these programs.

If you decide to join CTM, you will be required to pay \$20.00 in monthly dues.

CTM members must join United States Masters Swimming "USMS". This is an annual subscription. USMS provides CTM with insurance. You can find a link to USMS on this website.
